

# Spirit Law

When someone speaks of "The Law" it is generally in reference to the Mosaic Law and indeed that is the law spoken of in *Gal 2:16* where we are told very clearly that we are not saved by the works of the law but by faith in Yashua the Messiah. It says no flesh can be justified by the law meaning the Mosaic Law. When Israel was attempting to keep that law they failed miserably over and over but even if they had kept it perfectly it was only intended to save them physically, to provide a way whereby sin could be easily recognized and that the penalty for it, death, could be overridden in some cases by particular sacrifices. The sacrifices of the Mosaic Law merely pointed toward the ultimate, perfect, only sacrifice that could atone for all sin that would be made by the Messiah for everyone who ever lived if they would only believe it. Everything that went before the advent of the Messiah was a shadow or type, evidence, of Who He was to prove to a soul that He was the Saviour. He did **fulfill** all that evidence and types that went before so that we could know for a surety Who He was in that body, Yahweh come to save His creatures: Yahshua means Yahweh is salvation. Yahshua is still in bodies, those that have received the **Holy Spirit**: His sons and daughters who were once under the influence of Satan to disobey Yahweh, to disobey His Spirit Law, who have been saved in the name of Yahshua because they believed the report.

So then what is Spirit Law? The Mosaic Law was a physical law but there is a Spirit Law, and that is the law that runs all things. It has always been in affect/effect and is the vehicle of the Holy Spirit's judgments. Spirit Law holds the universe together. It is literally the Power of Yahweh, His Law. Spirit Law is the operation of the **Holy Spirit** ~~merely pointed toward the ultimate, perfect, only sacrifice that could atone for all~~ sin that would be made by the Messiah for everyone who ever lived if they would only believe it.
